THE AQUILA

Forward

A fall Aquila is being presented to Johnson City High School this year for the first time. We have done this in an attempt to record all the memories of the entire year--from the Senior Class to the first grade, from football season to baseball season; and most of all, to give us an opportunity to record our most memorable senior days--our trip, our play, our commencement and Baccalaureate.

As you leaf through the pages filled with pictures of your schoolmates and of local scenes, we hope you enjoy them as much as every member of the Aquila Staff enjoyed the working hours spent in an effort to bring you the best Aquila ever!

Dedication

The Aquila Staff takes pride in dedicating this, our Seventh Volume of the Aquila, to our sponsor, Emma Lue Sultemeier. It is through her constant work and determination that we are able to bring you this annual consisting of our year of progress in school. She has worked diligently and faithfully with our annual staff and we feel that this dedication is only a part of the credit she deserves.

THE BOARD OF TRUSTEES

We should like to thank each member of the Johnson City School Board for his untiring effort to make our school one of the best in the state of Texas.

Members of the school board pictured above are, left to right:

Charlie Althaus--Secretary
Joe Crofts--President
Clifford Haynes
C. M. Martin

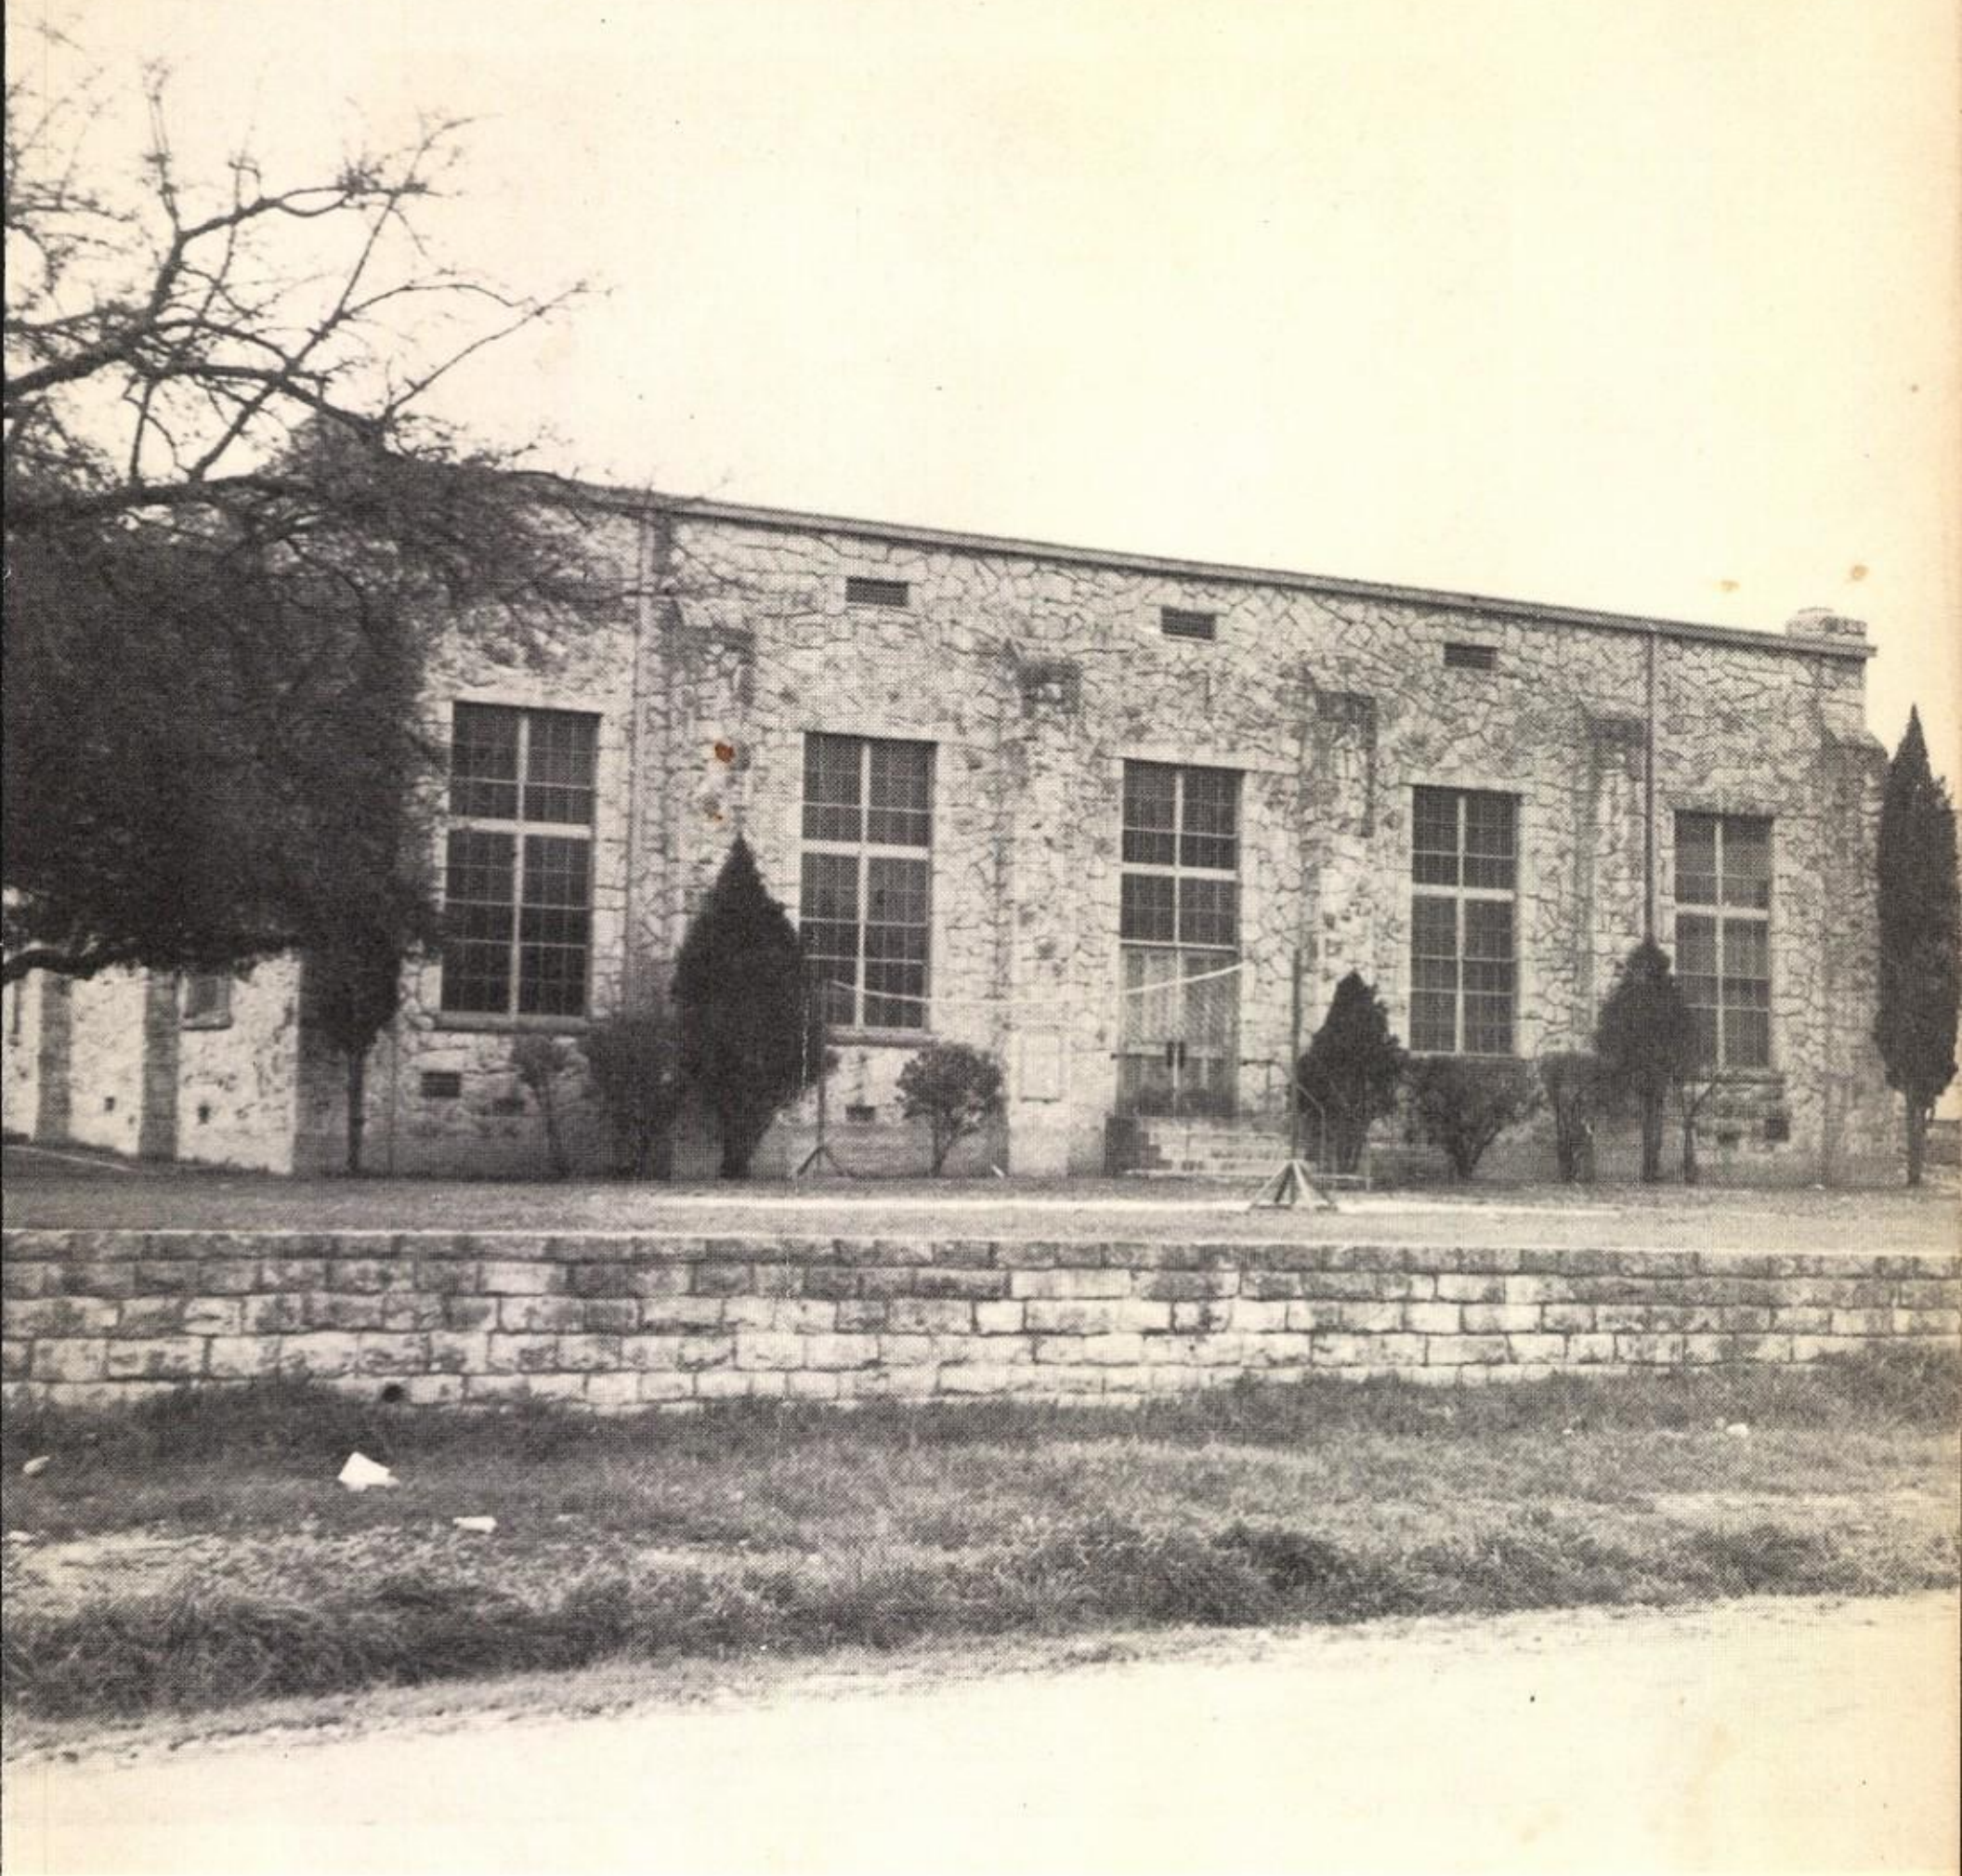

Other members of the board are:

M. C. Winters
W. C. Stewart
John Stevenson

About 58 years ago the first school term was opened in Johnson City in a one-room log building with about 6 students in attendance.

In this volume of the Aquila we have tried to bring to you the buildings and the students who now seek their education in the buildings which make up our school today. This is in an attempt to show you a comparison of the growth which our school system has undergone due to increased population in Johnson City and to consolidation of outlying districts.

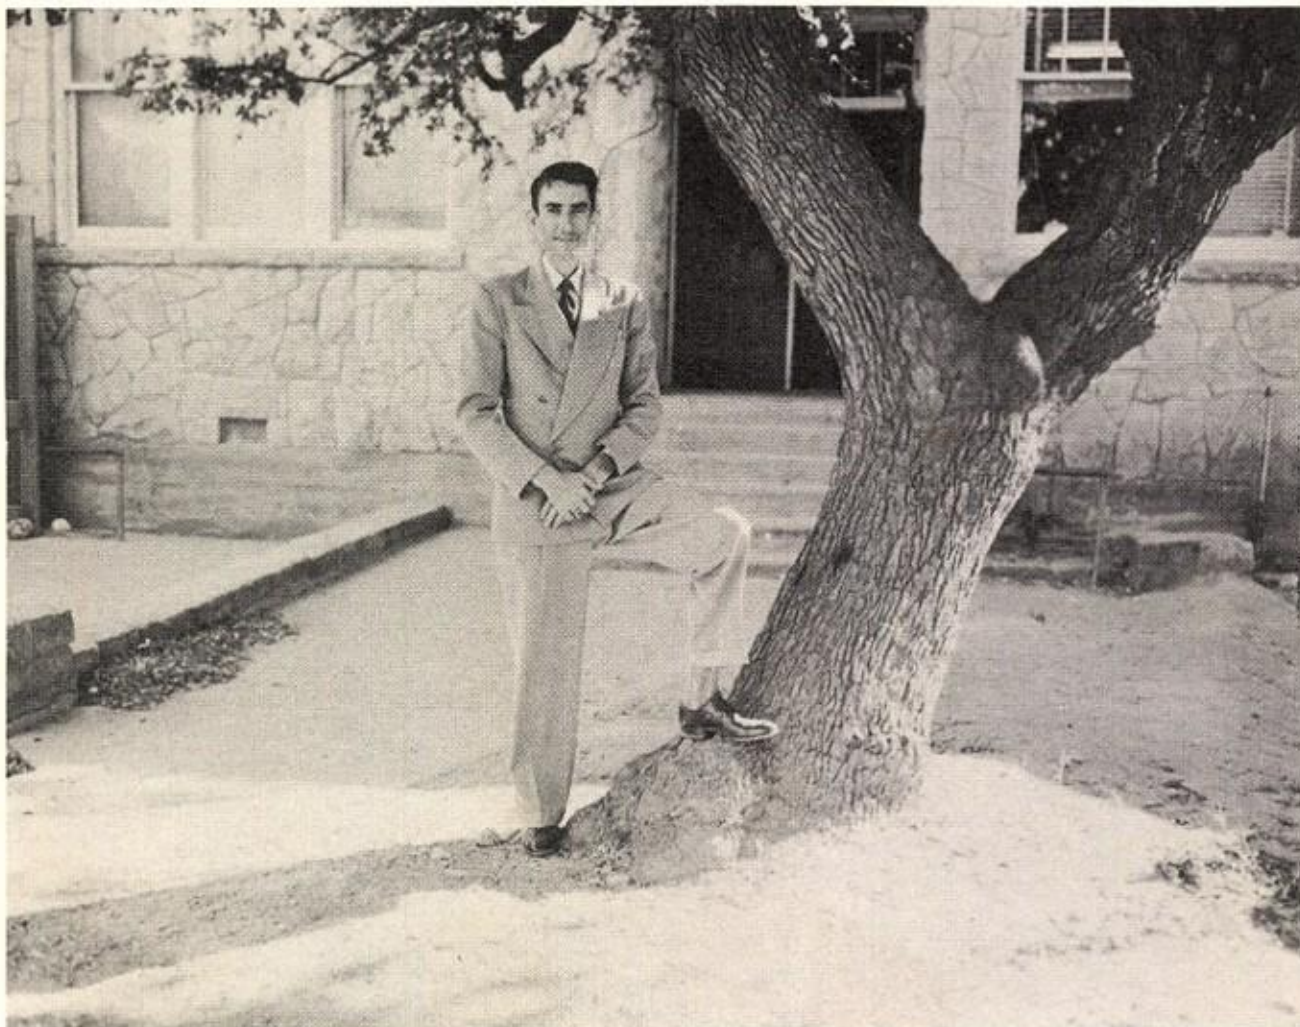

We are proud to present to you our school plant, its staff, and its students in these pages of the Aquila of 1950.

ADMINISTRATION—
~~~~~

# Superintendent's Message

Dear Friends:

Hard work and a clean, healthy attitude are essential to success in any phase of life. Your school days are now, and will ever be, a very important phase of your life. You have worked hard, and we, your faculty, are proud of your accomplishments.

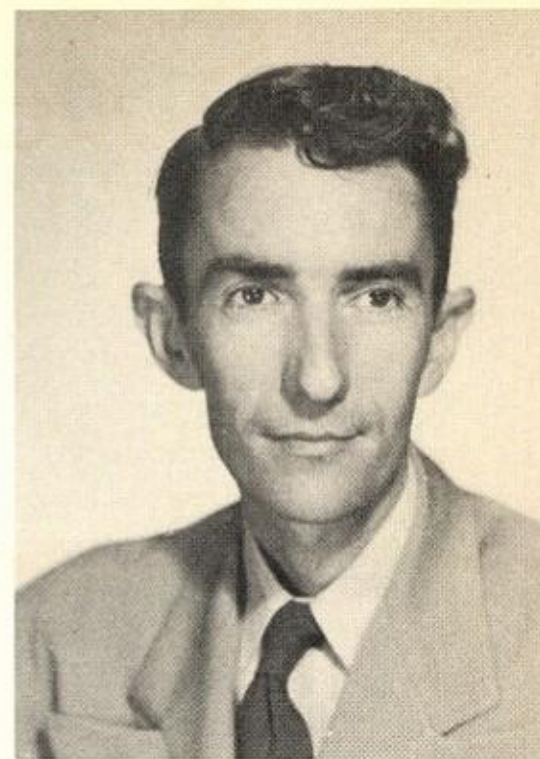

To the Seniors of 1950 we say farewell. We know you will succeed because we know you.

*Edward M. Bailey*

*Fredericksburg 43  
Johnson City 18  
Johnson City 22  
Hamptons 10*

**GIRLS MEASURED FOR BASKETBALL JACKETS**  
The members of the "A" team were measured for the jackets they will get some time this year for letter awards. Ten girls were measured for the jackets, however, this does not mean that all of them will receive jackets.

As coach Warren says, "We would like for all girls to have them, that is-if we had the money to buy them."

The girls operate a stand at each of their games. The money from this goes to buy the jackets for the girls. Try to help them all you can.
